

School Breakfast Program Assignment

Planners Names : _____

You are part of a Community Health Unit helping address the problem of children coming to school without having eaten breakfast. In teams of 2 you will develop a plan for a breakfast program for the local elementary school.

You will create:

- **A weekly menu** with lots of variety (all four food groups offered each day)

You will **write a letter** to the newspaper:

- explaining your plan for the breakfast program , # of volunteers needed, who will be/can be the volunteers
- explain how it will benefit the students; their learning and performance
- request donations and volunteers. **(sell it!)**

Criteria	Level 4 Wow!	Level 3 On the mark	Level 2 Getting there	Level 1 Getting started	R Not there
